SUBMISSION OF MARK SHEET 2019-20: EDUCATION GRANT

1. It has been seen that due to the hardship caused by COVID-19 pandemic, almost all education boards/states have issued orders cancelling the final examinations for students studying in classes I to IX and class XI. The students have been passed/promoted to the next higher classes based on their internal assessment.
2. In view of the above, the following guidelines are issued.
 - (a) For the Academic year 2019-20, eligible applicants are exempted from uploading their Mark-sheets for claiming Financial Assistance for Education of Children/Widows of ESM.
 - (b) Instead of the mark-sheet, applicants may upload certificate issued by school Authorities which certifies promotion of the student to the next class,
 - (c) The last date for submission of application for Financial Year 2020-21 is 30 Sep 2020 (for class I & IX and class XI) under normal circumstances. Due to the COVID situation, the date for submission of application under this scheme is extended to 30 Nov 2020 for the academic year 2019-20.
 - (d) The website will be open to accept applications from 05 Oct 20 to till 30 Nov 2020.
2. This may be given wide publicity in your respective areas of jurisdiction.
